VOL. XXV. NO. 91. CHICAGO, TUESDAY, APRIL 1, 1919. SPECIAL EDITION

OPENING DAY AT BOWIE

Eastern Season to Be Ushered In at Prince George Park.

Several Hundred Horses on the Grounds, the Majority of Them in Racing Condition.

BALTIMORE, Md., March 31.—The eastern racing season of 1919 will be ushered in tomorrow with the opening of the Southern Maryland Agriculture Association's spring meeting at Bowie. Racing secretary Joseph McLennan has arranged a good program of seven races for opening day, with the Bowie Inaugural Purse as the chief attraction. While the fields for the initial day's sport are rather small numerically, the entries are for the most part seasoned horses that have just lately arrived from New Orleans and Havana, and therefore are ready to race to their best form. The track is in fine condition and indications are that the weather man will furnish a pleasant sunshiny day to greet the return of the thoroughbred. Certain it is that with propitious weather the Prince George course will hardly accommodate the big throng of race-hungry devotees that will come from Washington, Philadelphia and other surrounding cities, together with the large outpouring of local turfites.

On Saturday evening, after the arrival of several southern and eastern consignments, there were by actual count 332 thoroughbreds quartered at the Bowie course. These, with the 220 head at Benning, to be shipped when occasion arises on the daily horse special, will supply the material for the meeting.

Many additional arrivals, including delegations from New York and Hot Springs, visited the Bowie course today. Racing secretary McLennan was well satisfied with the first day's entries and predicts larger fields as the meeting progresses. His assistant, John Boone, who has solicited entries on Jockey Club tracks for two generations, visited Benning and secured several entries. The mutuel department is in complete readiness. Fred Dressen has returned to supervise the ticket room.

Jockey Butwell will ride free lance on opening day. By daily exercise he has reduced his riding weight to 110 pounds.

L. A. Sawyer's Saxham's Journey broke a leg while thrashing on Sunday and was destroyed.

The horses Producer, Air Man and Fannie Meehan, which arrived from New Orleans in poor condition, are convalescing.

Jack Thornby's Buckfire, a member of the same consignment, was badly injured in shipment by the bursting of the car waterpipes, but will be saved.

C. Houbre was an arrival from Jefferson with three horses.

Gad Bryan, stockholder in the Bowie track, arrived enthusiastic over the success of the Jefferson Park spring meeting and predicted a great future for the southern plant with the ambitious plans mapped for next year.

Eugene Lutz' stable of four head is en route from Jefferson Park. Jockey Erickson has also reported.

Tom Shannon delegated Frank Capra to make the engagements of the promising apprentice Stapleton.

Col. P. T. Chinn arrived today from Lexington.

Capt. Truitt, commander of the medical department at Camp Meade, was a visitor and predicted a renewal of racing interest by the military men of the nearby cantonment.

Judge E. C. Smith represented the Jockey Club in the acceptance of applications for licenses and other official business.

Samuel Ross' filly Ormonda was at racing edge when she struck herself exercising over at the Benning track, which will delay her racing temporarily.

J. M. Hubbard arrived from Louisville with three horses.

Harry M. Stevens has renewed his contract for the catering privilege and completed his organization for the Bowie meeting.

NEW TIMER'S STAND ERECTED.

The cyclonic winds of Friday razed the Bowie timer's stand to the ground, and superintendent Richard Pending immediately planned the construction of a more substantial structure, which will be in readiness for the opening.

Steward E. C. Smith, who will represent the Jockey Club at the Southern Maryland meeting, arrived Saturday. He was joined today by presiding judge Joseph A. Murphy, who will complete Bowie's official family—whose members are identical with the 1918 roster.

A carload of thoroughbreds arrived from New Orleans, including those of Joseph Marrone's and M. Rooney's, in charge of E. T. Colton, and those few remaining turf representatives of Barney Schreiber, the Missouri breeder, four in all.

Jockeys Pauley, Denyse, Mooney, Stirling, Corey and W. Doyle are further additions to the pigskin colony who will be seen in action on Bowie's opening day.

Lieut. Jack Dunn, Jr., a son of the local baseball magnate; Lieut. T. M. Horner, Howard Wright, late of the U. S. Aviation Corps; L. Messersmith, and William Walsh, recently returned from overseas, where he served with the Canadian Expeditionary Forces, are some of them who have been mustered out of the army and will assist in the operation of the pari-mutuel department.

Fred Boughsman was an arrival from Havana. His horses will be shipped to Maryland at the conclusion of the Cuban meeting.

Quietude and Translate are reported to have wintered well at Robert Walden's farm at Middleburg, Md. The latter has developed splendidly during his winter's rest and may justify the confidence which Mr. Walden displayed when he refused the offers made by Messrs. Ward and Martin, and the Calumet Stable at Laurel last fall. Translate is being pointed for the Preakness, and if the inclination for route travel which he displayed during the fall of 1918 may be taken as a guide, he will prove a serious contender for the biggest of the Maryland spring stakes.

William Woodard, a local banker and turf enthusiast, owner of a modest racing string, was a visitor at Bowie on Saturday in company with judge E. C. Smith.

The stable of G. W. Forman, one of the most pretentious in size at Bowie, numbering eighteen members, is reported in its entire readiness to participate during the opening week. The greater part of these have wintered at Bowie and have been in preparation since January 15, while others have been shipped from Jefferson Park, where they raced with some success.

L. A. Sawyer was an arrival from New Orleans with three horses.

MONEY EARNED BY JOCK SCOT, HANK O'DAY AND OTHER SPEEDY HORSES IN R. L. BRESLER'S STABLE IN THE RACING OF 1918

R. L. Bresler had several right good horses in his stable last year and as a consequence fared pretty well in racing. His Ogden colt Jock Scot was one of the fastest sprinters of the year and dangerous in any company. He was given a strenuous campaign and stood it well, but because of it may not be so good this year. The veteran Hank O'Day was not of much account in his early racing, but, being carefully managed, he bloomed into good form when the hot summer days arrived and won some capital races in quite the style of his best days. Sherman A. proved himself a useful two-year-old and has the chance appertaining to horses of his age of improving into even a better three-year-old. Ultima Thule and Nominee more than paid their way as three-year-olds and have already demonstrated that they are in good form this year. Bert Williams, Dancer, Irregular, Mars Mouse and Berlin all won races for the stable, and its record for the year was:

KENTUCKY JOCKEY CLUB'S SLOGAN

General Manager Matt Winn Says New Organization Guarantees "A Square Deal for Everybody."

LOUISVILLE, Ky., March 31.—"A square deal for everybody." This will be the slogan of the Kentucky Jockey Club, owners of the four race tracks in this state, according to vice-president and general manager Matt J. Winn, who has just returned from an eastern trip. "The new organization," Col. Winn stated in the course of an interview, "although controlled by private capital, will conduct racing in this state as though it were a public institution, and it will endeavor to conduct the different meetings so as to gain the largest possible measure of public support. Everything will be open and aboveboard, and everybody will be given a square deal. The business sessions of the club will not be held behind closed doors, and anyone who has a grievance, whether he be either stockholder, horseman or patron, will be given a hearing. We want the confidence of the public and will endeavor to gain the same by supplying the best kind of racing and insisting that all of our employes treat the patrons with all due courtesy. Every consideration will be given the horsemen. They will race for the largest possible purses, and if they have any complaint to make they can come to me and feel assured that they will be given proper consideration. The stockholders of the club can rest assured that their investment will be utilized to secure the best possible results. The books of the club will be open at all times for their inspection."

Col. Winn has been busy during his absence from the city and has little time to give to the matter of the selection of officials for the different tracks under his management. The organization of the club, with its many details, is now occupying his attention, and until this work is completed the list of officials will not be announced.

Yesterday afternoon Col. Winn met R. L. Baker by appointment for a conference over matters pertaining to the Lexington meeting, of which Mr. Baker will have charge. Col. Winn will probably make a flying trip to Lexington for the purpose of settling a number of matters in connection with that meeting that require his attention.

Col. Winn, during his visit east, was besieged with inquiries regarding the Kentucky Derby, and found that the public interest in the big race in New York and other cities was greater than ever. For the next three weeks Col. Winn will spend most of his time at the club's headquarters in this city, with an occasional trip to Latonia and Lexington. The appointment of Harry Breivogel to succeed Col. Winn as manager of the Laurel track will in no wise interfere with his position of resident manager at Latonia, inasmuch as the meeting at the latter track does not conflict with that of the Maryland course.

While nothing definite has been announced it is believed that Tom Young, the efficient superintendent at Churchill Downs, will be placed also in charge of Douglas Park, where the services of a resident track superintendent will not be required as long as racing is not conducted at that plant. It is also believed in certain quarters that Chas. Nolte, superintendent at Douglas Park, and who acted in a like capacity under John Hachmeister at Latonia, will be transferred to the latter track.

BETTER TRANSPORTATION FOR BOWIE

BALTIMORE, Md., March 31.—General manager James F. O'Hara has received the assurance of the officials of the Washington, Baltimore & Annapolis Electric Railway that the transportation facilities will show marked improvement over that which Bowie patrons were compelled to suffer last fall. Traffic relief has been gained by the demobilization of many soldiers who were quartered at Camp Meade last year. Their absence has enabled the trolley officials to divert ten new motor cars to the Bowie division, which should materially speed the old schedule. Arrangement has also been made to run a daily horse-carrying special from Benning to the Bowie gate. Its operation will permit many who have wintered at Benning to send their horses for Bowie racing on occasions and save the expense of shipping the entire stables, some of which include jumpers, to the Prince George course for the short racing term.

TOO COLD FOR TRAINING AT LEXINGTON

LEXINGTON, Ky., March 31.—There was nothing of interest in the work of horses exercising at the Kentucky Association course today. The weather was cold and with snow flurries, and the horses looked considerably crimped by the sudden change. The trainers did not tarry long in the open, places by the fire being in strong demand.

Messrs. Frederick Johnson and Charles J. Quinn of New York arrived from Louisville this morning and were the guests of Hal Price Headley, who returned last night from New York.

James Gass arrived today from Cuba in advance of a car which is bringing nine horses to the Kentucky Association track.

Mr. and Mrs. Phil Chinn will leave here Wednesday for Baltimore. The Kentucky Stable now is at Bowie, with the exception of eight horses, which are to be sent from here later in the week.

PROMOTING WEIGHT-FOR-AGE RACING

Movement of the Jockey Club to Result in Improving the Earnings of the Higher Class Horses.

NEW YORK, N. Y., March 31.—Since the Jockey Club has decided to contribute to an annual weight-for-age race it will no doubt be an incentive for all the major associations to lend a helping hand toward making this class of races more popular than it has been in late years. Such races have been out of date for almost a generation, excepting in a few cases, but the time has now arrived for their resurrection, if only to show that the improvement in the breeding of horses is the object contemplated by those in command of racing and its regulators. Weight-for-age races should now become popular, for they will disclose the best horses of the year and, in most cases, decide which is the champion of each year. This in itself will add greatly to the interest, not only from a public standpoint, but from a horseman and breeder's point of view. Victories in weight-for-age races will be coveted by owners of good horses, and what is more, high-class horses will have greater opportunities to earn what they deserve to earn.

The Jockey Club's effort to revive weight-for-age stakes is to be highly commended and, while the fields may be somewhat limited at times, it is safe to say that in the majority of cases a spirited contest will result, even should there be but two starters. With more weight-for-age races the greater will become the interest in the ranks of owners, the earning possibilities of their horses being so much greater than in handicaps. Nothing but good can come out of the impetus given to such races, especially in the fall season when the horses of the various ages can be brought together over different tracks. While there may be a horse which will win the majority of such races each year, it is not a sure thing, for the old adage, "Horses for courses," will unquestionably enter into the argument and fast or heavy going will have a bearing on the results in some instances. Weight-for-age races will undoubtedly do much good for the turf and its future.

CLOSEST OF FINISHES AT HAVANA

Only Smallest of Margins Separate First Five Horses in Yesterday's Third Race.

HAVANA, Cuba, March 31.—Today's program at Oriental Park was made up of a series of selling races, a majority being sprinting distances. While the fields were not large, they were well matched and most of the winners were well extendd to win by small margins. Wida, an apprentice who was developed during the meeting and who has shown steady improvement, was in rare form, landing two mounts as winners. Jockey Frach also rode two winners.

The finish in the third race was the most exciting of the afternoon, five of the eight starters passing the judges' stand in a compact bunch. The pacemaker, Comfort, lasted just long enough to beat Corson by a nose. Miss Wright ran a game race in the opener. She was passed by Pajaroita II. while rounding the far turn, but in the homestretch came again and outstayed the tiring leader. Prince Bonero was forced to overcome rough treatment in the second race. At the end he finished gamely and won by a half length from the tiring Syrian. Encore made a runaway affair of the fourth, but at the end was hard ridden to beat Storm Bound a scant length. Manganese set a terrific pace in the fifth and drew away when entering the homestretch and tired badly in the last eighth, but lasted long enough to beat the fast closing Senator James by a neck.

Mrs. C. H. Sprague claimed Sky Man for $700, and H. W. Plant claimed Manganese for $700.

Two carloads of horses left Oriental Park this morning. One was consigned to Maryland and the other to Kentucky. The Maryland shipment was made up of horses owned by A. Lezama, W. C. Daly, E. G. Vivell, M. Smith and John Pangle. The Kentucky shipment included Thomas W. Fenchter, F. Rector, R. J. Farris and J. Grifin's horses.

CURRENT NOTES OF THE TURF

The privileges for the Lexington meeting have been let as follows: Shouse & Looney, refreshments; G. W. Fonner, restaurant and confections; Chas. Straus, cigars and tobacco.

H. H. Hewitt's Inspiration has a fine chestnut filly by Star Hawk, the first of the get of that sire, at Forkland Farm. Red Rose, owned by Curtis Field, has a brown filly by Tony Bonero at Caveland Stud.

The stable of W. F. Polson, numbering twenty head, is a recent arrival at Churchill Downs from New Orleans. The stable is headed by Buford, which proved to be one of the best handicap horses racing at New Orleans last winter and which has been named for the Kentucky Handicap and other stakes in Kentucky. The stable also embraces a Kentucky Derby candidate in Vulcanite, a bay colt, by Vulcain—Single Shot, which was not at his best last year, but has improved wonderfully during the winter and is expected to show to better advantage in his three-year-old form.

EXTERMINATOR SPRINTS FAST

Runs the Best Three-Quarters Shown at Oaklawn Meeting.

Zone d'Armee Wins in Good Style—Two Horses Fall Without Injury—Track Talk.

HOT SPRINGS, Ark., March 31.—Willis Sharpe Kilmer's Exterminator again demonstrated that he is destined to be a powerful factor in the decision of the stellar fixtures that will be contested for by four-year-olds and over by his decisive victory this afternoon in the three-quarters handicap, in which he carried 123 pounds, conceding weight to all the others, and won with evident ease, Ultima Thule landing in second place, with A. N. Akin third. Exterminator clearly showed that he could have led throughout the race, but Haynes elected to restrain him in the early running, allowing Ultima Thule and Top o' th' Morning to show the way until straightened out fully for the sprint through the stretch, where Haynes gave Exterminator free rein and he raced into the lead with no apparent effort and won comfortably. The time, 1:12⅘, was creditably, and the fastest to date during this meeting.

The first fall of the present racing came with the running of the fifth race, in which a big field started, and for a while it threatened to be attended by serious consequences, but luckily the riders and horses involved escaped with a shaking up.

The fall came when the field was maneuvering for positions while going to the first turn, and in the general mixup that followed Aldebaran, with Connelly in the saddle, fell, followed by Sinai, with Connelly up. The latter pair were both badly shaken, but Connelly and Aldebaran were none the worse for their tumble.

Harry Payne Whitney's crack, Zone d'Armee, was graduated from the maiden ranks in the opening race when he scored an easy victory over Cancion and Lady Pataud. The race, likewise, brought about the farewell saddle display of jockey Kirschbaum, at least for the remainder of the meeting here. The direct cause for the judges' orders not allowing him to ride further was because of Cancion's improvement this afternoon, and also several other unsatisfactory rides, notably one on Dick Williams. On Cancion, in a former start, he roughed several of the contenders.

PUNISHMENT FOR ROUGH RIDING.

Other riders, notably Barrett and Garner, are due for a hearing with the judges tomorrow, because of the rough riding they indulged in during the running of the closing race, Barrett being at fault in subjecting the diminutive Schwartz on Cain Spring to much interference, while Garner paid marked attention to roughing Grumpy in the race, according to Haynes, who had the mount on Grumpy.

Humma scored a lucky victory for Knebelkamp & Howerton, the second race, Cobalt being best, but the interference he met and the inexperience of his rider Coltiletti, caused his undoing.

Court Gallant, with a more vigorous ride than he received in his last race, overhauled Discussion right at the end to win the third race, Bagpipe landing in third place.

The colors of J. J. Maher, made famous by Bourke Cockran, Ballarat and others, were present this afternoon for the first time in over twenty-five years and were carried by Ima Frank, which formerly raced in the Beverwyck silks. All the horses in the Beverwyck Stable have been leased for this year by J. J. Maher.

The transfer of the contract on jockey Cassity to C. N. Garrison made his engagements for today void and the rider will only be allowed to accept mounts on the express permission of his new contract employer.

Bathilde has been bought at private sale by C. I. Crippen.

Red Red Rose, the crack two-year-old filly owned by the Greentree Stable, will not be raced again until she reaches Kentucky. She has numerous stake engagements there and will be rested for them.

Trainer Charles Hawk will ship the H. Field stable, consisting of fourteen horses, to Kentucky the first part of next week. Part of the outfit will be sent to Lexington and the remainder to Louisville.

Jockey Lee Mink is confined in a local hospital and is said to be suffering from pneumonia.

Only a few Kentucky Derby candidates were out for work today. American Ace ran five-eighths in 1:02, the first half mile in 48⅘. Under Fire worked three-quarters in 1:20.

FOUR GENERATIONS OF RACING FAMILY

BALTIMORE, Md., March 31.—Billy Garth is one of the fourth generations of the Gaths to race horses. His father, grandfather and greatgrandfather owned race horses, and the hereditary trait has pursued itself through Billy and finally on to his son, Lewis, both of whom are training divisions of one of the most formidable stables which will be shown on the Maryland circuit. It is said that Billy was at one time a rider—this he will not admit—though the records prove that he is a first-class horseman, breeder and trainer.

It was forty-one years ago that Billy came into possession of his first race horse, and ever since he has been identified with racing. He has trained some of the best horses ever bred in the old Dominion State, and was for several years identified with Paul and Roy Rainey. For the last several years he has trained the Capt. Ral Parr thoroughbreds, twenty-three of which he has in training at Pimlico.

His son, Lewis, representing the fifth of the line, has another division of the Parr horses at Benning. At Charlottesville, Va., the Garth family maintains a pretentious breeding farm.

LATEST GOSSIP OF MARYLAND COURSES

Majority of Horses Quartered at the Various Tracks Ready for Spring Racing.

BALTIMORE, Md., March 31.—The racing string of C. A. Applegate, New Jersey turfman, in charge of trainer Lawrence Reinheimer, recently arrived from New Orleans. It includes Manister Toi, Roi Craig, Blue Rock and Verboten, the last named a brother to Howdy Howdy, by Bannockburn—Signorina, which has never faced the barrier. Manister Toi, the star of the outfit, has entirely recovered from the wrenched ankle which showed itself after the running of the New Year's Handicap at the Fair Grounds. Trainer Reinheimer fired and blistered the horse and has lately subjected him to light training with the ultimate intention of racing him at Pimlico's spring term. Roi Craig and Blue Rock will be seen under colors during the opening week at Bowie. The latter is a recent acquisition to the stable, having been purchased from W. D. Bernhardt at New Orleans after several good performances there.

Jockey J. Metcalf has arrived to fulfill his contract engagement with J. W. Sweeney for the duration of the Maryland circuit. The Spreckels two-year-olds, which he rode with such great success during the southern season, fell sick just before trainer Carroll had arranged for their removal to Kentucky, and the rider was granted permission to ride in the east pending their recovery. There are several good looking two-year-olds among the Sweeney string, which should race to their promise under Metcalf's capable guidance.

Jockey J. W. O'Brien has been a daily visitor at Bowie, and has kept himself in condition exercising during the morning trials. O'Brien has temporarily attached himself to the W. C. Clancy stable, pending negotiations for a season contract with one of the most pretentious stables of the metropolitan circuit.

The horses in the W. C. Clancy stable, which is due to arrive at Havre de Grace on March 29, include Pickwick, possibly the best horse shown at New Orleans last winter; Paddy Dear, Ting-a-Ling, The Minute Man, Assume, the property of John Leonard of New Orleans, and Assumption and Padriac.

Crank, Samuel Ross' good sprinter, recently worked one-half mile in fifty seconds at the Benning course, which justifies trainer Burch in announcing that he will be an early starter at Bowie.

FAST WORK BY ROSS HORSES.

At Laurel, where the course has been kept in fine condition by superintendent Keegan, Commander J. K. L. Ross' horses have recently displayed high speed. Trainer Bedwell sent Monomoy a mile in 1:43 and Dottie Vandiver three-eighths in 35⅕ on Wednesday, indicating their preparation for Havre de Grace racing.

Charlie Leydecker has, since his shipment from New Orleans, trained in a manner to indicate that he will be a starter in the Inaugural at Bowie.

Other good trials at Bowie have been those of Joseph P. Murphy, a three-year-old maiden of Edward McBride's, three-quarters of a mile in 1:17; Ballast, three-quarters in 1:16; Wisest Fool and Mahony, five-eighths in 1:02.

It is rumord that jockey L. Ensor will enter into a contract engagemest with the R. T. Wilson stable during the Maryland season and accompany trainer Thomas Healey to the Havre de Grace course when its Maryland division entrains during the next week from Belmont Park.

A majority of the Quincy Stable's horses will be quartered at Havre de Grace ere the opening of the racing there, trainer James Fitzsimmons having announced his intention of shipping the string next week. Jockey Ted Rice has reported to the stable for the season.

Jockey Tommy Davies has been relieved from the war work to which he devoted himself for the greater part of last year and has signed with the William Garth division of the Capt. Ral Parr stable. Jockey Mergler has been retained for the Lewis Garth division of the same stable, while steeplechase jockey Crawford, a recent benedict, will pilot the steeplechase division in their engagements.

W. H. Post has purchased Indian Chant from J. W. Sweeney at private sale. Richard Pending has purchased Vigilante from G. W. Forman at private terms. Both will be seen in action at Bowie.

GALLAHER BROS. HORSES AT LEXINGTON

Stable Numbers Sixteen, with Seven Two-Year-Olds Included—Kinburn a Speed Marvel.

LEXINGTON, Ky., March 31.—There are sixteen horses in the Gallaher Brothers string at the Kentucky Association course, and they represent the best assemblage of runners these successful turfmen have had in a number of years. "There's a lot in luck with horses," said Allan Gallaher yesterday, "and if we have the right kind of luck this year we should go into winter quarters feeling pretty good. We are not contemplating an early crop of purses, however, for John is not rushing the preparation of any of our horses." The string is composed of the following:

Nobleman, ch. g, 7, by Boanerges—Royal Child, by Childwick.

Manokin, br. h, 5, by Rapid Water—Little Buttercup, by Kingston.

Bourbon Lad, b. g, 4, by Transvaal—Lassie, by Knight Errant.

Sewell Combs, ch. c, 4, by Jack Atkin—Royal Captive, by Golden Maxim.

Balistite, b. c, 3, by Peep o'Day—Clare Russell, by Russell.

Golden Floss, b. c, 3, by Golden Maxim—Floss S., by Handspring.

Mr. Kruter, ch. g, 3, by Transvaal—Lillie Kruter, by Orimar.

Regalo, b. f, 3, by Sweep—Lady Strathmore, by Strathmore.

Serbian, ch. c, 3, by Ivan the Terrible—Arline, by The Commoner.

Catania, ch. f, 2, by Rock View—Mary Talbott, by Mazagan.

Cortland, ch. c, 2, by Bourbon Beau—Lauretta Stolworthy, by Stalwart.

Dresden, ch. f, 2, by Rock View—Polly Prim, by Pirate of Penzance.

Keep, br. f, 2, by Pataud—Possession, by Requital.

Kinburn, ch. c, 2, by Duval—Royal Captive, by Golden Maxim.

Midia, b. f, 2, by Rock View—Galaxy, by Star Shoot.

Old McKenna, b. c, 2, by Transvaal—Kuhla, by Gold Heels or Trentola.

Serbian and Regalo are eligible for the Blue Grass Stakes, to be run at Lexington Saturday, May 3, and for the Kentucky Derby, which is to be decided at Louisville May 10. Regalo is also eligible for the Ashland Oaks and the Kentucky Oaks. They, in all probability, will be named for the Latonia Derby, entries for which will close tonight. Balistite, the brother to Vogue, was thrown out of training last year on account of lameness, but he is again going soundly and looks as if he will be a serviceable horse. Kinburn not alone is one of the best-looking two-year-olds here, but he is one of the fastest. Last fall he worked a quarter in 22⅗ carrying 140 pounds. This statement is made upon authority of A. B. Gallaher. He is a half-brother to Sewell Combs. Dresden is a half-sister to Mistress Polly and Goldcrest Boy; Catania a half-sister to White Hackle and Mehaffey, a fast colt which Gallaher Brothers had the misfortune to lose, and Milda is Galaxy's first foal.

LAST RITES FOR AUGUST BELMONT JR.

NEW YORK, N. Y., March 31.—The funernl services of August Belmont Jr., son of the chairman of the Jockey Club, who died last Saturday, were held this afternoon at the Church of Ascension. The body will be sent to Newport for interment.

Harry A. Buck, assistant secretary of the United Hunts Racing Association, is back at his desk after a sojourn of a month at Nassau. He is much improved in health and will buckle down to his work in anticipation of the meeting at Belmont Park Terminal June 14 and 21, which dates were recently granted by the Jockey Club.

A. McL. Earlocker, racing secretary of the Saratoga Racing Association, announces that the entries for the stakes for the summer meeting, which closed today, are coming in large numbers, giving every indication of a record-breaking list.

MARSHAL HAIG'S TRIBUTE TO HORSE

The following "foreword" to Captain Sidney Galtrey's book, "The Horse and the War," was written by Sir Douglas Haig: "The power of an army as a striking weapon is largely dependant on its mobility. Mobility is largely dependant on the suitability and fitness of animals for army work. I hope that this account of our army horses and mules will bring home to the peoples of the British Empire and the United States the wisdom of breeding animals for the two military virtues of hardiness and activity, and I would add that the best animals for army purposes are also the most valuable for agriculture, commerce and sport."
